Ideal Client Relationships

Specializing in personal finance and wealth management communications, I provide audience-focused, engagement-generating, corporate communications strategy and content writing services to thriving financial services, real estate, and select hospitality brands targeting upscale, wealth-focused audiences. I work best with clients with an established content marketing or editorial strategy who require a remote corporate communications strategist, content writer or journalist for their team.

Corporate Communicator Profile

I'm a business professional with corporate communicator expertise and an award-winning business and finance journalism background. My corporate communications specialties include internal communications, CSR, D&I and digital communications. I'm also a creative, digital communications advisor and strategic content writer with over 20 years' experience. I combine my unique skill set to help your organization fill the talent gap for corporate communications strategists with a substantial editorial background and digital marketing communications fluency.

As an award-winning journalist, my goal is to make all corporate communications messaging and content writing I do for my clients award-winning caliber.

Areas of Expertise

- ✓ **Corporate Communications Strategy/Content Messaging:** I offer messaging strategy in internal communications and employee experience messaging, change communications, post-crisis brand recovery and diversity and inclusion messaging. I provide the approach for and write white papers, ebooks, one-sheets, issue papers, datasheets, case studies as well as CSR, annual and other business reports. I draft mission and vision statements, bios, and corporate backgrounders. As a journalist who I know what others expect, I write press content with ease.
- ✓ **Digital Marketing Strategy:** I'm skilled in digital media communications with extensive experience producing digital campaigns for clients across business sectors. I offer effective strategies and write specifically for blogs, websites and social media. I'm also experienced and comfortable with using project management, WordPress or other CMS platforms.
- ✓ **Content Writing/Journalism:** I'm a proven expert at writing long- and short-form content. I'm a researcher and interviewer able to develop stories and content from concept to completion. I bring my proven writing ability to all my clients to provide audience-focused, engagement-driven digital content writing and related content communications strategy services. I write regularly for content platforms like Contently and IZEA as well as real estate and finance associations and fintech firms.
